

Kevin R. Strauss, M.E.

Outdoors, Athleticism, & Adventure

I love the outdoors and adventure but a typical "professional" resume does not address my decades of experience. I am passionate about health, wellness, and activity and there's a lot more to being successful in these various disciplines than just doing them. From knowing your whole SELF to gear to weather, Leave No Trace, and more. There's a lot of LIFE HAPPENING and I embrace it all!

"Working out and training with Kevin is the best. I never feel like it's a competition."
Every Female Friend & Client

"Kevin is a wealth of knowledge and information, but did not overwhelm me as a first time runner."
Tory P. - Runner

"I needed a coach to help me achieve a crazy goal... couch to IM in 6 months time, injury-free. That's when I met Kevin and I don't know that there could have been a better coach for me."
Casey D. - Non-Athlete to Triathlete

"As my coach, Kevin helped me reach my goals and surpass what I could imagine as an endurance athlete."
Nick Paul - Endurance Athlete
